FIMOP

THE NEXT GENERATION OF MOPPING HAS ARRIVED

- Smart, compact design allows ease of reach into corners and tight spaces
- The ergonomic, anti-slip handle is adjustable to suit the operator
- Lightweight design allows easy transport, including stairs
- A versatile solution for all types of hard flooring

DIRTY WATER TANK

Vacuum carries dirty water directly to the recovery tank

SMART JUNCTION

Swivel joint for scrubbing and drying in all directions

POWERED BY LI-ION TECHNOLOGY

Fast recharge means the Fimop is always ready to go

CLEAN WATER & SOLUTION TANK

Two separate tanks eliminate contaminants from dirty water

SCRUBBING

Rotating brushes easily remove stubborn dirt

DRYING

Squeegee dries floors instantly leaving it safe to walk on
