

**LIGHT AND CONVENIENT**

# ISO HD STICK

## WALK-BEHIND ORBITAL SCRUBBER

A revolutionary dry floor stripping machine, setting new industry standards.

Saving up to 70% on labour costs versus traditional floor stripping methods and eliminating the need for chemicals, ISO HD Stick is an investment that quickly pays for itself.

The ISO HD stick features removable weights and large rear wheels that maintain contact with the ground reducing vibration and increasing operator control. Oscillating at 3450 rpm, the rectangular head removes sealer and polish, sands timber to perfection, and scrubs deep into the most difficult-to-clean textured floor surfaces.

VAPOR CLEANING TECHNOLOGY

## FEATURES

- Specialist Edge scrubbing pad enables chemical-free surface stripping
- Rectangular pad allows cleaning into corners and right along square edges
- Extra high speed oscillation increases cutting and cleaning performance
- Solid stainless steel construction able to withstand harsh industrial and commercial environments
- Corrosion proof scrub deck made from 7 gauge stainless steel
- Guide wheels constantly engage to the floor for increased stability
- Reduced vibration provides greater operator comfort and improves safety
- 7 amp power draw allows machine to be used on all standard 240 volt power outlets

SPECIFICATIONS	ISO HD STICK
Drive Motor	1.5HP Heavy Duty, Direct Drive
Scrub Deck Speed	3450RPM
Pad Pressure	75kg
Cleaning Width	508mm
Noise Level	69DbA
Power Supply	9m heavy duty power cord
Theoretical Cleaning Capacity	Up to 460m per hour
Machine Dimensions	480 (L) x 330 (W) x 1120 (H)mm
Weight	65.3Kg
