NEXT LEVEL COMFORT & CLEANING

## MMG RIDE-ON POWER SCRUBBER

The MMG offers a new level of operator comfort. With the added benefit of simple to use controls this ride-on floor scrubber is everything you have been looking for.

The high-density polyethylene body encompasses the machine, including the squeegee, allowing this power scrubber to maneuver through narrow spaces. The low centre of gravity ensures stability while working even on bends or when climbing ramps.

The ergonomic design of the MMG allows for the operator to be seated in an upright position with a padded seat providing effective back support and adjustable to suit the operator. The MMG floor scrubber is ideal for use in commercial spaces, warehouses and leisure centres.

VAPOR CLEANING TECHNOLOGY

## FEATURES

- 3-stage vacuum system leaves the floor dry with no risk of slipping
- Ergonomic design providing unmatched operator comfort
- Automatic battery charger providing faster more convenient charging
- Energy saving technology reduces energy consumption by up to 35%
- Impressive noise cancelling technology allowing for operation in sensitive areas
- Traction control provides ability to maintain a constant speed when travelling downhill, preventing sudden increases in speed caused by gravity
- Innovative Start&Stop technology turns the machine off when idling reducing costs and emissions, reactivating when pedal is pressed
- Red emergency stop button stops machine immediately when pressed

SPECIFICATIONS	MMG
Cleaning Width	750mm scrub path
Solution/Recover Tank Capacity	110L
Suction Motor	24V
Brush Speed	150RPM
Brush Pressure	35-100Kg
Power Supply	24V
Battery Charger	Automatic battery charger
Weight	408kg
Machine Dimensions	1242 (L) x 881 (W) x 1595 (H)mm
